

7月18日、19日

メルボルンでは朝の気温が4度まで下がる日もあり、冬らしい厳しい寒さが続いています。一方で、日中は15度前後まで気温が上がるため、一日の寒暖差が大きく、上着が手放せません。真夏を迎え、高温多湿の日本と比べると、こちらは気温が低く空気もとても乾燥しています。環境の違いに心配もありましたが、生徒10名は体調を崩すことなく、毎日元気に活動しています。寒さに負けず、充実した時間を過ごしています。

週末はそれぞれホストファミリーと過ごし、観光や買い物、スポーツ、家庭での団らんなど、思い思いの時間を楽しんだようです。ホストファミリーとの交流を通して、現地の生活や文化に触れる貴重な2日間となりました。

18th

In the morning, I walked around my house. I went to the park. Australia park is very large. There are tennis court and football court. I thought Japanese parks are very small. After lunch, I enjoyed shopping!! We met Yukiho and Hime, we went to the city library and souvenir shop. It was very fun. Also, we enjoyed seeing make up shops with Gigi's friend. I didn't buy anything. Shopping was very fun. I found Japanese goods. They were very popular. I ate tacos for dinner. It was so delicious!!

19th

In the morning, we went to the shopping mall. I bought many snacks. They were very cheap so I bought too much. I went to the beach. Australia beach was very beautiful. Some people was playing in the sea. It look so cold. My host family said that was crazy. It was very funny. I bought cakes. They were bigger than Japanese ones. I was worried I could eat it. Cake so delicious, I finished eating it when I realized.

I felt people wake up early in the morning. And they are very active. My host family went to the gym and walked around my house in weekend. I enjoyed this weekend. It is different in Japan. I could have new experiences. (原文ママ)

I had a wonderful weekend with my host family.

In July 18th, I went go running, and shopping mall, and at the night time, I went to my buddy's aunt's house. I ran in the park that is next to school. It's sunny, so I had a great running time.

Next, I went to the shopping mall with my host mother and buddy. I ate curry and Acie ice cream in the food court. They were so delicious.

Finally, we went to my buddy's aunt's house. There were so many people. I became a friend with kids of about the same age who were there. They were very kind to me, so I was so glad. I really appreciate with them. We talked many about Japanese Anime, and lots of Japanese things. And we played "Monopoly" together. It was very fun. I heard from my buddy that we'll meet and go to the market next Wednesday. I'm so excited !!

In July 19th, I went to the city with my buddy and her friends. We are all six people. I rode Australia's train for the first time. It was much different from Japan's. I gave them some Japanese souvenirs, "Canmake eyeshadows", "Lululun face pack", and "Pure gummy". They looked so happy. So I was really glad. Next, we went shops. In there, I bought many souvenirs for my family and friends. I hope they'll like it. In souvenirs shop, my friends bought and presented some souvenirs for me. I was really happy! In lunch, I tried tacos. I liked it very much. Next, we went to Photo Booth. It's like a Japanese Purikura. It was a big fun. Finally, we went to the beach. We took off our shoes and entered the sea. We took a lot of photos. It became my important memories. Everyone who I played today were so kind to me. I really love them. I can meet them in the school, so if I meet them, I want to talk from me. On Saturday, my host family took me out to the main part of Melbourne [city](#). We went to many skate shops sport shops and had some sightseeing. The most memorable part of the day was the dinner. I ate kangaroo. The taste was like a chicken.

On Sunday, we went to the Phillip [island](#). We saw a beautiful view. Also, we watched a wild penguins there. I think we got closer by spending time together through this weekend. (原文ママ)
